RAM Buildings, Inc.

RAM Buildings, Inc. is the original corporation within the RAM family. It began in 1998 and since then has been a thriving part of the construction industry in the Midwest. RAM Buildings, Inc. provides a full range of construction capabilities in both wood frame and steel frame building solutions for your equestrian, commercial, storage, agricultural, residential, hangar, and cabin construction projects. RAM Buildings, Inc. is a member of the National Frame Builders Association and has won 11 Building of the Year awards.

RAM General Contracting, Inc.

RAM General Contracting, Inc. was added to the family in 2005. RAM General Contracting, Inc. offers a complete ONE-STOP source for your entire post frame, wood frame, CMU (block), precast, and steel frame building projects from start to finish. RAM General Contracting, Inc. specializes in large equestrian facilities, commercial and industrial buildings.

RAM Excavating, Inc.

In 2009 RAM began offering excavation services as a division of RAM General Contracting, Inc. The division grew very quickly and in 2012 it was decided to make RAM Excavating Services its own corporation. Yet another advantage for the customer who chooses RAM! RAM Excavating Services, Inc. is the newest addition to the RAM family of companies.
