## ENDURING FINISH

Our MS Colorfast45<sup>®</sup> Paint System delivers 10 layers of protection by joining siliconized polyester coatings with ceramic pigmentations. Tested in the harshest climates, it has proven to be the best exterior finish available.

For you, this means:

- 45-year paint warranty
- Maximum color retention
- World-class protection

## STEEL STRENGTH

Our MS Colorfast45<sup>®</sup> sheeting joins high quality steel with key alloys. It's heat tempered to create high tensile steel hardened to withstand up to 80,000 pounds per square inch. For you, this means:

- Maintenance Freedom
- Fastener wear & tear eliminated
- A beautiful building – always!

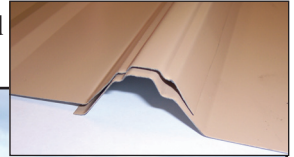

*"RAM Buildings came up with a great design, which incorporated our current building. Both the price and quality of workmanship sold us and we love our new facilities. RAM exceeded our expectations!"*

## WATERTIGHT DESIGN

On the sides of each panel, our unique siphon grooves interlock to form a weathertight seal and efficiently drain off water to the outside. For you, this means:

- A dry building interior
- Free-flow water runoff
- Wet weather peace of mind

## CUSTOM MADE FOR YOU!

Our MS Colorfast45<sup>®</sup> sheeting is available in lengths up to 45 feet and is cut to your building's exact specifications. For you, this means:

- Less jobsite labor
- Splices are eliminated
- Fast, easy installation

*"RAM's communication was great! Everything we wanted they accomplished, and more than exceeded our needs. They said they wouldn't leave until we had a smile on our faces, and we do."*
