

Commercial

“We really enjoyed working with RAM Buildings. They took our building design and made it a reality through talented workmanship, competitive pricing, and understanding our needs. We’ve been extremely happy with our facilities in both Winsted and Blaine.”

*- Steve Metz, Waste Management,
Winsted/Blaine Commercial*

Commercial

RAM Buildings, Inc.

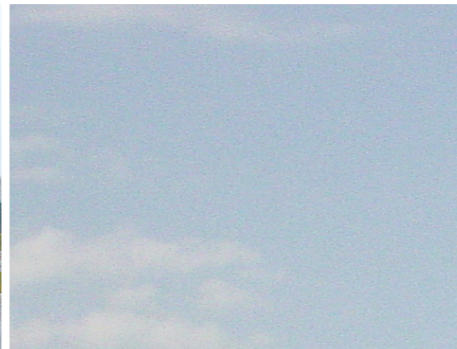

provides a full range of construction capabilities in both wood frame and steel frame solutions for all commercial building projects.

We offer a one-stop source for your complete commercial building project from start to finish, including General Contracting and Construction Management services. We streamline the construction process to provide you with a clear path to project completion and accountability (peace of mind) while maintaining tight control over project time and quality.

Experience the

RAM ADVANTAGE

and know you've made the right choice.
